Call to Order - The meeting was called to order at 7:05 pm.

Reading and Approval of Minutes – A motion was made by Natalie McCracken and seconded by Tera Barone to approve the minutes. A vote was taken and all were in favor of the approval.

Principal's Report – The school received thank yous for the Thanksgiving gift cards that were given out for feather the turkey. The families were very thankful. The extra \$1,000 that was received from the Box Tops was used to purchase 2 projectors and carts to be used in the classrooms. Kindergarten registration will begin February 1. Parents can call for registration packets. Wellness week is coming up. Students will have extra gym activities, and also participate in a 20-minute zumba class. The next preschool program (Night of Knights) will be in February. Any volunteers would be appreciated.

Treasurer's Report – Approve expense report. This was approved by Wendy Noe and Carol Web gave the 2nd approval. See attached.

Letters/Communications - PTA received a thank you from the teachers in Room 11 for their treat bags during National Education Week. PTA received a thank you card from all the bus drivers for their breakfast.

Unfinished Business – PTA needs to vote on the new By-law Amendment regarding PTA dues. The copy of the By-law Amendment was misplaced. Will revisit at the next meeting.

Open PTA Committees – Bylaws, Book Fair, Character Development, Council Delegates, Hospitality, Membership, and Outstanding Educator. Stacy Youngbauer will be taking over Fundraising. Open Officer Position – Treasurer. PTA will revise the list with the amount of time needed for each committee and the time of year it takes place. Kim is typing this up.

New Business - Wendy Noe made a motion to change the name of Math Matters Committee to the Ultimate Math Challenge Committee. Kim accepted. All in favor – all.

PTA has a box of preschool books that they would like to give the young knights at Night of Young Knights. We could put labels on them saying Welcome to SVE, Compliments of SVE PTA.

Reports from Committee Chairs – Ultimate Math Challenge – Jocelyn will co-chair next year.

Laura Zapanta – Science Fair is March 7. They are having the High School kids come to the Norwin Public Library to give ideas for projects. Then one month later, will come to library again to help

anyone who needs help finishing/polishing their project. They are looking for anyone who can judge (around 4:30). Mr. Miller will coordinate again this year. Maybe put it in the newsletter asking for judges. Can also put in the Norwin Star asking for judges.

Talent Show – There are 40 acts. They still need a sound guy. They are also working on the program and a powerpoint.

Box Tops – The Box Tops contest is beginning and will end February 15, 2011.
