School Administrators

Anyone who wants to make a difference in our school!

By joining the PTA you are helping to support the programs & activities that the PTA sponsors throughout the year. Your membership fee of **\$9.00** per member helps to fund PTA activities. Being a PTA member is one requirement for volunteering during the school day and at after-school activities, when permitted. **It also gives you access to our Sunset Valley PTA Facebook page.** Being a member of the PTA also gives you an opportunity to learn about national programs that support the education, health, and well-being of our children. You will have a voice in addressing these issues through a national network.

In order to volunteer for school activities & events, you must be a member of the PTA, be volunteer trained by the building principal and provide background clearances as detailed on the PTA website. You only need to complete volunteer training once during your child(ren)'s entire time at Norwin. Volunteer training is done at new student orientations and may be scheduled throughout the school year. Clearances are valid for 5 years from the issue date.

Join the PTA by completing this form and returning it to school along with \$9.00 (per member) membership dues. Checks should be made out to *Sunset Valley PTA*. Place form & dues in an envelope marked *PTA Membership*. **Or, complete this form and submit payment online at www.sunsetvalleypta.com.**
